

HERE IS WHAT THEY SAY ABOUT CIVIC PROGRAMS

Mayor, Councilmen, School Officials, Other Citizens Favor Improvements

In response to a request from The Record, asking for statements concerning the current civic improvement program, answers were given as follows:

Mayor Paul Selmi: "It appears that Daly City is about to realize several long standing civic needs. At this time, when these developments are imperative to the up-building of our community, we find ourselves in a particularly advantageous position to secure them, because federal and state funds are available in substantial amounts."

Councilman J. J. Fahey: "Every one of the projects is worthy of sincere consideration. I believe each will be a decided improvement to Daly City. As a member of the council I shall favor thorough explanation of the details and costs of each proposal and that each one be placed separately on the ballot when citizens vote on bonds. The final decision as to whether or not Daly City needs the improvements will, of course, be made by the people."

Councilman Twisten: First of all, we are proud of Daly City. It is a good place to live. However, without the proposed civic improvements our community may be compared to a beautiful house in which the furnishings are old and inadequate. We live here, but we have no parks in which to spend pleasant leisure moments or in which our children may play. Our city hall is obsolete. It is absolutely without question that the library, which has served us so well in past years, is now far too small to care for our growing population. Because of the

SPEEDY GROWTH FOR AREA SEEN BY COMMISSIONS

City And County Planners Discuss Developments At Dinner Meeting

Visualizing great growth, city and county planning commissions mapped the future for the peninsula at a dinner meeting held, Thursday evening of last week, at a popular San Mateo hotel.

Heading the list of a dozen or more speakers was Hugh Pomeroy, county planning adviser, who painted a vivid picture of peninsula possibilities and also pointed out the accomplishments of the past few years.

Everything from a proposal that the county purchase the San Francisco-San Mateo line from the Market Street Railroad Company to harbor developments and the ticklish job of gaining right of ways should Junipero Serra boulevard pass through Hillsborough, Burlingame and San Mateo was discussed at the

Executive Appointee Has Arrived Here

Having gained a nation wide view of county government, "glad to be back" and "ready to get to work immediately," Ernest A. Rolison, county executive appointee, who terminated a cross country automobile trip at Redwood City early this week, looks forward to the opportunity to do the best he can toward giving San Mateo County "good government."

Rolison will serve as budget director until he can assume the post now held by Walter T. Kellogg upon the expiration of the current term, May 29.

TO SEND SHIP

The battleship New York will be sent by the United States to participate in the international naval review off Spithead, England, May 18, in connection with the coronation of King George VI.

KINGS MOUNTAIN HANDICAP TO BE DISTANCE RACE

Large Number Of Prominent Running Stars Have Been Nominated For Event

Tanforan's first fixture over a distance of ground—the \$2,500 added Kings Mountain Handicap—will be decided tomorrow, Saturday, March 20, with a crack field in prospect for the mile and one-sixteenth engagement.

Frank Carraud's War Glory, which made a brilliant return to the races late in the Santa Anita season, will make his Northern California debut in the Kings Mountain. He was away from the races for two years before he was brought back at Santa Anita, where he scored an impressive triumph over Moon Side and Marynell in his last start.

Another newcomer to the San Francisco sector is Mrs. T. S. Stevenson's Tempestuous, winner of the New Year Stakes at Santa Anita. Tempestuous is a particularly good horse on an off track, but is dangerous in any type of going.

Sobriety, the new star in the Hunt, Beezley and Boeing Stable, will likewise make his Northern California debut in this engagement. He was recently purchased from the stable of Alfred Gwynne Vanderbilt.

Cleveland Putnam, young Arizona sportsman, has a new color-bearer to represent him in the Kings Mountain. His hope is Moon Side, which he purchased from Eddie Kane at Santa Anita just as the meeting closed. Moon Side rose from the ranks of the claimers to beat many of the best horses in American training.

The stable of H. C. Hatch will be represented by Ariel Cross and Sweepstaff, both topnotcher handicap performers. Ariel Cross is just returning to top form, while Sweepstaff raced impressively at Santa Anita.

Other nominations include the "double Derby winner," Rushaway, Sarada, Holl Image, Mickeys Man and San Luis Rey.

Seabiscuit, outstanding horse in training here, was to have made his debut in this race, but a muddy track has curtailed his training and his first start has been set back, awaiting a fast track.

FUND SHORTAGE MAY DELAY NEW BUILDING PLAN

Construction Cost Of First Jaysee Unit Exceeds Cash On Hand By \$70,000

Delay in construction of the first unit, the science building, of the new San Mateo Junior College loomed as probable this week when it was revealed building funds set aside by the school trustees are inadequate.

This came to light following the board meeting, Thursday evening of last week, when Harry Thompson, Burlingame architect who succeeded the late George Kelham, told the board the building would cost approximately \$160,000 to construct and furnish.

\$90,000 ON HAND

The \$90,000 set aside for building had previously been considered adequate. Thompson went over costs of different types of construction with the board and insisted that at least a "B" class structure be erected. The present junior college, Burlingame and San Mateo High Schools are all

Fleet Will Visit S. F. For Exposition

Scores of battleships and other naval vessels are expected to ride at anchor in San Francisco Bay during a great portion of the 1939 Golden Gate International Exposition, it was announced here this week.

Exposition officials were virtually assured by Admiral William D. Leahy, chief of naval operations, that large sections of the fleets would be in port while the fair is in progress.

Mint Aide Retires After 43 Years

Honored with a testimonial dinner, Sam Ward (right) prepared for his retirement from the U. S. Mint in San Francisco after 43 years of service. Superintendent P. J. Haggerty (left) upon checking the records found that Ward had coined a total of \$1,760,100,000 in gold, silver, copper and nickel since he first walked into the mint January 2, 1894. Ward recalled many incidents during his years of service, but said he remembered best the confusion which came after the great earthquake and fire of 1906 when banks moved their money and established themselves in the mint's reception room.

Give Daly City a Boost Supporting Proposed Civic Improvements

Progressive citizens have, for a long time past, recognized the necessity of public improvements for our enterprising community.

Daly City has reached such a stage in its development that the time has surely arrived when we should begin to "dollar up its corners" in a civic improvement program, such as is being proposed at this time by our present progressive and ahead-looking mayor and members of the Daly City Council.

For many years it has been apparent that our community has outgrown its swaddling clothes in the way of governmental affairs and civic buildings and playground and recreational facilities (or lack of the latter) and that something must be done about it—and that at once.

A new city hall, public library and proper parks and playgrounds are an imperative necessity at this time and all progressive and civic minded citizens should get behind those entrusted with the governmental affairs of our city and support them in their proposed program of improvements in its entirety.

All no doubt remember the splendid manner in which the bonds for the new elementary schools and the later improvements at the high school were supported. These schools and the new gym and swimming pool stand as monuments to the progressiveness and fair mindedness of the residents of this wonderful community. We bespeak for them that they will not be found wanting in the present effort to improve conditions for all our citizens.

Get behind the bond issue proposition and do not relax your efforts to bring our building program to a successful culmination.

P. T. A. PLEDGES FORMER COUNTY PUBLIC SCHOOL CLERK PASSES WEEK SUPPORT AFTER ILLNESS

200,000 Members Representing 1673 Units To Participate In State Wide Program

Wholehearted support for the eighteenth annual observance of Public Schools Week, April 26, was pledged here this week by Mrs. B. C. Clark, president of the California Congress of Parents and Teachers, representing over 200,000 members in 1673 local associations.

"California's belief in public school education as a constructive force in the development of good citizenship has safeguarded the educational opportunities of children by a constitutional guarantee, which makes education the first business of

A Native Of The Coast Side, Mrs. Kneese Played Major Roll In S. M. History

Death came suddenly in San Francisco Wednesday to Mrs. G. Kneese, county clerk from 1919 to 1931 and one of the best known peninsula women, shocking her many friends and drawing expressions of deep regret from county leaders.

Although she had been in ill health since she left Redwood City in January, her illness was not believed critical and only Tuesday her condition was reported here to friends as being "much better."

County native, one of the key personages in peninsula affairs for the greater part of her life, she had suffered lately from a heart ailment, and it was believed that this caused her death at the Kneese Marina boulevard residence.

SPORT CARNIVAL IS PLANNED FOR BRIDGE FIESTA

Tennis, Horse Racing, Polo, Baseball, Water Sports Among Main Events

A gala carnival of sports is being planned for the Golden Gate Bridge Fiesta, to be held in San Francisco May 27 to June 2, to celebrate the completion of the Golden Gate Bridge.

The sports activities will be under the direction of a former president of the P. A. A., who has been appointed chairman of the sports division.

Tennis, horse racing, polo, baseball, marathon racing, swimming, rowing, boxing and yachting are included on the extensive program. The personnel of the United States fleet, which is coming here for the Fiesta, will participate in many of the events. Some of the contests will introduce international competition.

The following is a digest of the program to date. It promises to be expanded and developed as the sports committee swings into further action.

Tennis: Singles, doubles and mixed doubles in the Palace of Fine Arts courts, Friday, May 28.

Horse racing: A special handicap race at Bay Meadows to be known as the Golden Gate Bridge Fiesta handicap, Saturday, May 28.

Polo: In Golden Gate Park Stadium, with probability of international competition, Saturday, May 29.

Baseball: A tournament for the city amateur championship. Games will be played in the city playgrounds Saturday, May 29, and Monday, May 31.

Marathon race: A long distance race from San Rafael across the Golden Gate Bridge to Crissy Field. The race will start from San Rafael at 9 a. m. Monday, May 31.

Swimming: An invitation race across the Golden Gate for men, Monday, May 31. That afternoon, swimming championships in Fleishacker Pool for men and women.

Rowing races: Off the Marina at 2 p. m., May 31. This event will be participated in by all the rowing clubs.

Cutter races: To be participated in by crews from Navy ships in port and the Olympic Club, off the Marina, on Tuesday, June 1.

Boxing Tournament: For the men of the fleet, in either Dreamland or the Civic Auditorium, on Tuesday, June 2, at 2 p. m.

A yachting program covering the holiday period of May 29 to May 31.

STEEL TRUSSES GOING UP FOR JEFF HIGH GYM

Another 100 Yard Batch Of Concrete Poured In Base Of Swimming Pool

Steel superstructure of the new gymnasium and swimming pool at Jefferson Union High School is reaching its webby way to the sky. Huge trusses already cap a major portion of the swimming pool area. New shipments of steel are due the first of next week, and within ten days trusses will be swung into place for the gym.

Engineers started yesterday to pour another 100-yard batch of concrete in swimming pool forms. All gym and pool footings are now in, and from now on work will be speeded on portions of the structure above ground surface levels.

WORK RETARDED

Building progress has been hampered seriously by bad weather conditions and by a tie up in steel shipments during the water front strike.

Twenty skilled craftsmen and laborers are now pushing construction work at the highest possible rate of speed. It is expected that the gym and pool will be ready for use late next fall.

LEGION BOXING

Twelve bouts, totaling 36 rounds of battling, have been signed up for the inaugural opening of the Twenty-sixth District, American Legion, monthly boxing bouts on March 29 at the Peninsula Beach Skating Rink, formerly Pacific City, located on Bayshore highway, San Mateo.

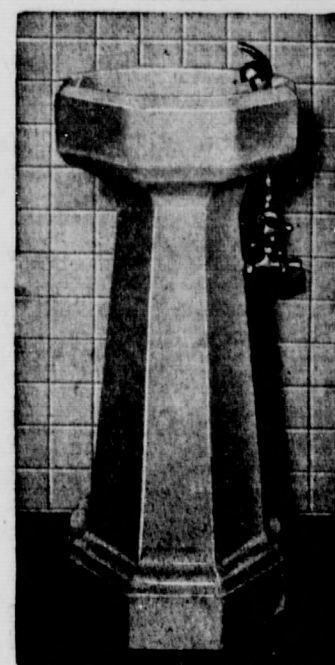

FOUNTAIN TO BE INSTALLED AT BANK BY RECORD

Widening Of San Jose Avenue Retarded By Wet Weather—Sixty Days To Finish Job

As soon as the sidewalk is finished in front of the Bank of America, Mission street and San Jose avenue, a public drinking fountain, donated to the city by the Daly City Record, will be installed at that point.

Arthur Bodien, superintendent of the Daly City Water Department,

NEW FOUNTAIN

has put in water pipe to the location and built a suitable foundation for the fountain, which is a full octagonal porcelain fixture. The bowl is thirteen inches in diameter and four inches deep. It stands 36 inches high on a thirteen inch diameter base.

STREET WORK

Bad weather conditions have delayed the street widening work on San Jose avenue. Engineers on the job report that another 60 days will be required to complete the project.

All curbs have been poured except the two upper blocks on the western side of San Jose avenue. On the eastern side, two strips of concrete paving has been poured from the top of the hill through to Alemany boulevard. One more strip is to be put down, then traffic will be routed on this portion while the western side of the street is being regraded and concreted.

Market Street Railway is to move slightly eastward the car tracks from Flornoy to Mission streets. A steady grade is to be established on San Jose avenue from Wilson to Mission. "Stair steps" at Shakespeare and Flornoy streets will be eliminated.

U. S. Marines Blaze Blazed Sky Trail

Clipper ships which are now spanning the air lines across the Pacific follow a trail that was first traveled by Magellan, Captain Cook and other-doughty adventurers of a bygone era. But the development of many of the Pacific islands was largely due to the enterprise of the U. S. Navy.

Pioneering spirits of the old American Navy paralleled that of the hardy Norsemen who are believed to have visited our shores years before Columbus. Our old time sailing frigates were called upon to protect merchant ships, and they often made cruises to faraway Pacific islands on diplomatic, scientific or other missions.

U. S. marines helped to man these frigates, and prior to the advent of steam vessels they saw action in Marquesas in 1813, went to the rescue of Americans in the Falkland Islands in 1831, fought savages in the Fiji Islands in 1840 and on several other occasions. They made their first important landing in Samoa in 1841.

A significant event in world history happened in 1854, when the U. S. marines visited Japan with Commodore Matthew C. Perry and the treaty was signed that opened that country to the commerce of the world. They were landed in an expedition against savages in Formosa in 1867, and have crossed and recrossed ocean trails of the Pacific over and over again.

Midway Island, Hawaii, Guam and the Philippines were known to the marines long before the days of trans Pacific air liners.

Officers Elected For Crocker P. T. A.

On Tuesday of this week Crocker Parent Teacher Association met in regular session in the assembly room of Crocker School. Officers were elected to serve for the coming year as follows: Mesdames John Kinsey, president; Virginia Davidson, vice president; Lillian Cavnano, recording secretary; Laura Larson, corresponding secretary; Ethel Dorn, financial secretary; H. J. Seiler, treasurer; Orvilla D. Pauw, parliamentarian; Nell Caine, historian, and Ann Eason, auditor. Installation ceremonies will be conducted in April, when the annual luncheon honoring the teachers and past and present officers, will be held in Crocker School.

On Friday of last week the auditing committee met at the home of President Orvilla D. Pauw, Hanover street. Luncheon was served and a study circle was held under the direction of Ann Eason. The history and proper usages of the United States flag and citizenship were studied.

A successful card party was conducted Tuesday of this week in Crocker School under the direction of the executive board. The president and officers wish to thank teachers, members and friends who contributed toward the success of this affair.

On Friday evening of this week the Seventeenth District will hold an annual evening meeting in the Burlingame High School. President Orvilla D. Pauw and several officers from Crocker Unit will attend.

Possible To Bring Temple To Fair

*Transportation of an ancient Llama temple from China to San Francisco, stone by stone, was proposed this week in connection with plans for oriental exhibits for the 1939 San Francisco World Fair.

Lorne Huycke, traveler and Chinese scholar, informed exposition officials that he has already broached the plan to priests in a Llama monastery in China, and that they are willing to have the temple moved.

The temple, he said, contains an exact duplicate of the throne chair used by the late Grand Llama of Tibet. If the proposed exhibit is brought to the "Treasure Island" site of the exposition, the Tibetan monks would conduct the regular rituals and services of the mysterious Asian sect.

(Continued from page 1)

lack of room in the library, resulting in the curtailment of certain services, the citizens of Daly City are deprived of many educational and pleasurable facilities. The southern portion of our community must be developed and protected against fire hazards. The proposed extension of the city water mains and fire alarm system into this area is not only an advantageous improvement, but in a few years the extensions will pay for themselves."

Councilman Ed Cavagnaro: "It is generally agreed that the improvements are needed in Daly City. As a councilman my attitude is essentially the same as it was when I was a private citizen. I am primarily concerned with the proposition that the plans and costs be thoroughly outlined to the people, so that the entire program is perfectly clear. It is gratifying to feel that no organized opposition to the projects is developing. I sincerely hope that every proposal will carry and become a reality in our community. Construction of the new gym at Jefferson High School gives us a fine stimulus to improve the rest of our city."

Councilman Henry Sundermann: "I am heartily in favor of the proposed bond issue for public improvement in Daly City. The projects are progressive and designed to increase the welfare and safety of our citizens. At the present time these improvements can be made at a minimum cost to the taxpayer. Such a program, if carried to completion, will make our city a more desirable home spot. It will improve our community and attract others to establish homes here. In short, it spells progress, happiness and safety."

Principal James Ferguson, Jefferson Union High School: "The city council proposal of projects to improve our city is worthy of the strongest support. Each project is worth while. Particularly pleasing to the high school are the proposals for a new library building, a play ground for the Crocker District and the development of Vista Grande Park."

"At the present time Daly City has no public play ground for the children and no recreational facilities for adults. The city council proposes to correct this and bring our community up in line with modern ideas of city planning and social service."

"Last summer vacation the council and the Jefferson Union High School trustees co-operated in providing a supervised play ground for the children and adults of our community. A trained supervisor of athletics was employed and the entire athletic facilities of the high school was made available for use. The average daily attendance on the grounds was 67."

"Not a single accident occurred during the entire summer. Never before had the mothers of our community such peace of mind regarding the safety of their children. Football, tennis, baseball, track and other sports were carried on regularly. The result of this was that our community woke up to realize its duties and responsibilities towards its children and also its opportunities for service."

"The present civic improvement program should be supported by every citizen. To lay just claim to the motto, 'A Better Place in Which to Live,' Daly City must provide these facilities for the entire population—children and adults."

"Next fall the high school will have a splendid gymnasium and swimming pool. Daly City is coming along. The city council is progressive and deserves our support in its program of improvements. Our world fair visitors must see Daly City at its best. These social, educational and recreational facilities will attract families that are most desirable and our population will grow beyond anything we have yet dreamed of."

R. L. Crane, Superintendent of Jefferson Elementary School District: "The need for adequate play ground space is appreciated more today than ever before. The constantly increasing demands for space, which the growth of cities and new requirements and developments in the leisure time field are bringing about, call to our attention the need for play and recreational areas in Daly City."

Electrification of the mining and milling machinery of Osyoos Mines, Ltd., on Kreuger Mountain, Osyoos, will be made soon.

the state," said the statement, issued to the public.

Mrs. Clark continued: "The California Congress of Parents and Teachers believes heartily in the American plan of public school education."

"We approve as heartily the annual observance of Public Schools Week, and the opportunity it offers for the lay public to visit schools and become familiar with the greatest of all American institutions."

"We also encourage the members of every one of the 1673 parent teacher associations in the State to participate in interpreting their schools to the public."

"The house of the people," as the public school has been called, will be open the week of April 26 to the citizens of California, giving them an opportunity to observe the training of citizens of tomorrow and re-

view the institution which they themselves have provided for the training of children and youth."

The California State Chamber of Commerce, in a recent statement, pledged co-operation in the activities of the week.

Surprise House Warming Party

Mr. and Mrs. A. Arrata, Acton street, were tendered a surprise house warming party Saturday evening of last week by 65 of their friends who met at the home of Mr. and Mrs. F. Marconi, Templeton avenue.

The group, laden with gifts and refreshments, went en masse to the Arrata home. The surprised host and hostess cordially greeted their guests and invited them to come in.

Dancing, visiting and eating kept the party lively for several hours. On leaving, the guests wished Mr. and Mrs. Arrata much happiness in their new home.

AMERICA'S GREATEST 6-CYLINDER CAR!

Studebaker Dictator

A FEW CENTS A DAY MORE THAN A LOWEST PRICED CAR!

ACTUAL PHOTOGRAPH

WE guarantee to convince you conclusively that this big superbly styled 1937 Studebaker Dictator is a better car than any higher priced six. And more than that—we'll match this Dictator, even on a low cost basis, with any

lower priced car because the Dictator's sounder, longer-lived construction plus its sensational Fram oil cleaner and gas-saving automatic overdrive will even up any apparent price difference! Studebaker's C.I.T. budget plan offers low time payments.

Revival Services By Young Minister

J. Eben Moore Jr. of Oklahoma City, a student at Bethany Peniel College, isn't waiting until he graduates this spring before he enters active missionary work. He has accepted a call to hold revival meetings at the local Nazarene Church, corner of Vista and Santa Barbara avenue, and is being rewarded with a great measure of success in the services which began Sunday of this week and will continue through Easter.

Reverend Moore is a forceful speaker and delivers his message with much conviction. Meetings are held every evening except Saturday. Everyone is cordially invited to attend.

ELEVEN STATES OF WEST PLAN FAIR ENTRANCE

Entire Area Pushes Program For Colorful Exhibits At G. G. Exposition

Two of eleven western states have already appropriated funds, six others have bills before their legislatures, and legislation was being planned in the remaining three, as the western states participation program of the 1939 Golden Gate International Exposition went into high gear this week.

Exposition officials, elated at the response from enthusiastic state groups, predicted that the entire West would be colorfully and effectively represented with exhibits in the Hall of Western States building.

FUNDS SOUGHT

In Wyoming the state Legislature has already appropriated \$5000 for a preliminary survey on the San Francisco and New York expositions by the State Board of Commerce and Industry. Oregon, which has already chosen floor space for the

THE amazing newness of the 1937 Gas Ranges now being offered with a money saving opportunity for a limited time, is more than outward appearance of style and color.

More efficient burners both in the ovens and range top permit closer adjustment for simmer or lower temperature cooking that will cut down your gas bill.

Food bills are cut through more even heat control and improved oven insulation which reduces meat shrinkage.

Less water is needed in cooking vegetables, less basting required of roasts resulting in more flavorful foods, richer in vitamins.

Imagine, too, broiling steaks or chops without smoking up the kitchen.

exposition, set aside \$30,000 for a state exhibit, and total state expenditures for participation are expected to exceed \$100,000.

Washington, Idaho, Colorado, Utah, New Mexico, and Arizona have exposition or state advertising bills in their respective legislatures, asking for sums ranging from \$30,000 to \$100,000. Exposition commissions, named by the governor, are already functioning in most of these states, and in Montana and Nevada plans are under way for a participation program and appropriate legislation.

GROUPS BACK PLAN

Chambers of Commerce, state advertising, tourist promotion, and other groups are solidly behind the exposition, realizing how it will stimulate the West's \$750,000,000 annual tourist business in 1939.

Meanwhile, interest is spreading in other western states, notably Oklahoma, Texas, North and South Dakota, Kansas, and Nebraska, where exposition representatives recently outlined the attractions of the fair.

The first European international motor rail car service was established last month on a run from Paris to Brussels and from Paris to Liege.

MODERNIZATION OF SUPREME COURT NEAR

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

The alarm has been sounded and President Roosevelt has not been slow in hearkening to it. It is nothing more nor less than that another depression may be on the way. The "chief" has pointed out on the air several times lately the imminence of danger in our national life. Thoroughly practical as one measure in stemming the oncoming flood is the reorganization of the Supreme Court.

Not so long ago I read in a liberal publication that the President is having the fight of his life on the Supreme Court issue and from all the evidence the time of his life. Franklin Roosevelt dearly loves to battle for his ideals and everyone knows he has plenty of these desirable things.

Emphasis is placed in all the declarations of the leader of the nation on the utter necessity of a change in the type of mind on the Supreme Court bench. All legislation to bring order out of something that almost approaches chaos hinges on the attitude of the members of the highest tribunal in the land. The "nine old men" can, even "knock out" a constitutional amendment in the event of an addition to the fundamental law of our country.

The enemy has not been routed yet, but with the President in his best form it appears altogether likely the required legislation for the reformation of the Supreme Court will be carried through, although perhaps not until late summer. The wonderful strategy of the President was never more manifest than in an interview he gave a writer of the New York Times. As he subsequently said over the radio, President Roosevelt told the newspaperman that when he retired to private life on January 20, 1941, he did not want to leave the country in the condition Buchanan left it to Lincoln.

The "chief" sees the nation entangled in problems that need solving and unless the solving process begins at once there is likelihood of civil war. As Edgar Hoover said sometime ago, Public Problem Number 1 right now is the Supreme Court.

Liberals everywhere are realizing that the reorganization of the Supreme Court is only a preliminary to the great work that must come later. It is said with justice the present legislative program must be enlarged in order to save the people from another depression, perhaps worse than the last one.

The farmer is in revolt and no one can blame him. As I have said on other occasions the foundation of our national economy rests on agriculture and mining. That thought must be kept ever to the forefront. Ford Madox Ford, considered by some critics to be the greatest novelist writing in the English language at the present time, has an opinion that perfect peace and culture can

only return to the world if every man gives at least part of his time to cultivating the ground.

Just as the President frequently speaks of the importance of the small business man, the English writer believes the salvation of such countries as England and the United States is the small producer as against the big individual capitalist and the communist group. He has no use whatever for what he terms the dog fight between the Fascist and the Communist.

In his dream of getting away from mass production Ford Madox Ford sees a man, who, with a certain knowledge of various crafts, can set his hand to most kinds of work that go to the maintenance of humble existences. He will contrive or repair hurdles, platters, scythe handles, styes, shingle roofs and harrows. But, above all, he will produce and teach his family to produce good food according to the seasons.

The way things are now it is pointed out people seldom taste vegetables fresh from the beds, fruit fresh from the trees, bread from wheat not manured by chemicals, meats not rendered unpalatable by refrigeration and again by chemicals.

As a direct consequence of millions being the victims of mass production, brains are starved of good blood and minds are incapable of reflection, courage or stability.

We must agree with the writer when he asserts: "Carrying on its back a screaming Mass Production, the bronze bull that is the Machine Age charges the brazen wall called Crisis."

Boy Scouts Exhibit Specimens At PTA

Four Boy Scouts from local troops exhibited specimens and gave illustrated talks on reptiles and insects at the regular March meeting of the Woodrow Wilson Parent Teacher Association, held Tuesday of this week. President L. Thomey presided and Mrs. M. Sorg, program chairman, announced the entertainment features.

By unanimous vote of the unit, Mrs. L. Thomey was presented a life membership. A revolving life membership has been started, and it is hoped that in a few years all past presidents will be honored with such a status. Life membership funds are used to provide scholarships for worthy students.

Mrs. Grace Hill was elected to serve as president, Mrs. Dora Peters, vice president; Mrs. M. Starkey, financial secretary; Mrs. M. Linden, treasurer; Mrs. M. Huener, historian; Mrs. M. Evans, auditor, and Mrs. C. Lasters, recording secretary.

Mrs. George Woodside of the General Pershing Parent Teacher Association attended a meeting of the

Seventeenth District nominating committee, held Tuesday of this week at the home of Mrs. J. R. Richards, Burlingame.

The annual Easter egg party given by the General Pershing Parent Teacher Association at the school house today was a huge success. More than 400 children each received a large chocolate egg. Mrs. Ann Eason was in charge of the affair.

At the regular meeting of the General Pershing Parent Teacher Association, scheduled for Tuesday, April 6, there will be a luncheon served in honor of the teachers.

Miss Pansy Jewett Abbott, county superintendent of schools, has been invited to attend and address the group.

Mrs. Sadie Welsh, president, headed a party of ladies who lunched Wednesday of this week at a popular North Beach cafe. Those present were Mrs. Mazie Boyle, Ann Eason, Mary Gregor, Helen

McDono, Ida Marquis, Rose Watson, M. Nordgren, G. Whittall, Rose Gardella, Marge Woodside and Mrs. R. Thorsen.

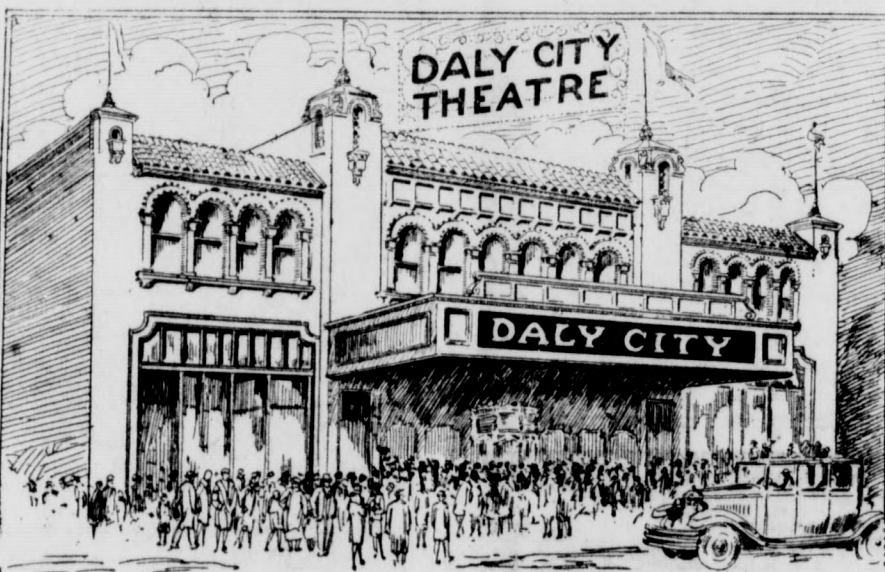

Air Mail To China Will Start Sunday

The Post Office Department announced, this week, that the first flight on the trans Pacific air mail service extended to Hongkong, China, will be made Sunday of next week.

Connections will be available for airline services in China, to Australia and intermediate points and to India and intermediate points.

The route will be from San Francisco to Hongkong, by way of Honolulu, Hawaii, Guam, Manila, Philippine Islands, and Macao, Portuguese colony in Asia. The westbound flight will leave Hongkong April 29.

Postage between the United States and Hongkong will be 70 cents per half ounce.

TROOP NO. 141

Meets Thursday at 7 p.m. at Nazarene Church

TROOP NO. 141

TWO BOYS JOIN

Allen Rigler and Elden Przborski were invested with the rank of Tenderfoot at the meeting on March 11. In the absence of the Scoutmaster, Troop Committee Chairman Joseph Straughan, assisted by Committeeman Clarence Fox and troop officers Alva Bryant, Mervin Dykman and Glenn Good, conducted a very colorful ceremony for their admittance into the troop. Scenic and nature study motion pictures helped to round out the program.

SECOND CLASS BADGE AWARD

Scout Frank Pate, who was ill at the last Court of Honor, completed his requirements and was given his Second Class Badge at this meeting.

TROOP TO HAVE OPEN AIR MEET

Our next meeting will be in the open with supper cooked on the camp fire. There is to be more than a thousand things on the menu—bean-hole-beans—for instance! We plan to do more outdoor scouting now that the rainy season is near the close.

MERIT BADGE EXPOSITION

Our troop is to have an exhibit at the Annual Merit Badge Exposition to be held at the Civic Auditorium

in April. We are now planning and preparing for it.

EASTER SUNRISE SERVICE

We plan to take part in the Easter Sunrise service on Easter Morn at Mt. Davidson.

CUB PACK NO. 141

Our monthly pack meeting on March 12 was well attended. Cub Kenneth Boes received his Wolf badge. Cub Henry Herting received his gold arrow for advance work in the Bear rank and Cub John Mosman received the silver arrow for additional work in the Bear rank.

Motion pictures of forest fire fighting by airplane and nature subjects were shown and were very interesting. Two boys, Benny Reames and Burt Yoeman, were admitted to the pack. Benny was put in the Number 3, Den and Burt in the Number 1 Den.

Mountain States To Join Cavalcade

Mountain states this week swung into line to join the cavalcades which will hit the overland trail to San Francisco for the Golden Gate Bridge festa to be held May 27 to June 2 to celebrate the opening of the longest span in the world.

From Cheyenne, Wyo., came word that the city council had voted to send a delegation of cowboys and cowgirls and a "Frontier Days" float for the fiesta parades.

Fifty Indians from the Piute reservation in South Dakota will also be in the cavalcade coming from the Rocky Mountains.

In addition the city of Denver has appropriated funds to enter a huge floral float which will depict Pikes Peak and other lofty mountains of Colorado.

Ogden, Utah, is going to send two covered wagons, a regulation stage coach of pioneer days and an official float.

STEAK AND CABBAGE

(From Mrs. June Fletcher)

3 Cups boiled cabbage.
1½ Cups finely chopped hamburger steak.

1½ Cups well seasoned tomatoes. Place a layer of meat in a well buttered casserole, and a layer of tomatoes, cabbage, then bread crumbs and sprinkle with salt and pepper to season. Repeat the layers until you have used all the ingredients, having the top layer of buttered crumbs. Dot with bits of butter and bake in a moderate oven for 30 minutes.

WALNUT SQUARES

(From Mrs. Amelia Lewis)

1 Egg (place in bowl and beat until frothy).
1 Cup brown sugar.
5 Tablespoons of flour (level).
½ Teaspoon of soda.
Pinch of salt.

1 cup of shelled and cut walnuts. Mix as written, drop by spoonfuls on buttered pan (dough being soft will run together into thin sheet). Bake about 25 minutes in a slow oven. If mixture forms bubbles, break them with a fork. After taking from oven cut into squares.

RAISIN DOUGHNUTS

(From The Farmer's Wife)

¾ Cup sugar.
¾ Cup sweet milk.
2 Eggs (beaten).
1 Scant tablespoon melted butter.
1 Cup raisins (run through meat grinder).
2 Cups flour sifted with 2 teaspoons baking powder, ½ teaspoon salt.

Alternate flour and raisins. Add more flour until when dough is pressed it will not adhere to the fingers. Cut with doughnut cutter and fry in hot fat, tested first with a round center. Recipe makes 2 dozen doughnuts.

Lesson Sermon Of Christian Science

"Matter" will be the subject of the Lesson-Sermon Sunday, March 21, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "I have declared, and have saved, and I have saved, and I have shewed, when there was no strange god among you; therefore ye are my witnesses, saith the Lord, that I am God" (Isaiah 43: 12). Other Bible citations will include: "Moreover, brethren, I would not that ye should be ignorant, how that all our fathers were under the cloud, and all passed through the sea; And were all baptized unto Moses in the cloud and in the sea; And did all eat the same spiritual meat; And did all drink the same spiritual drink: for they drank of that spiritual Rock that followed them: and that Rock was Christ" (1 Cor. 10: 1-4).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In divine Science, man is sustained by God, the divine Principle of being" (p. 530).

Burlingame Resident To Military Post

F. A. Bloom, City Hall, Park Road, Burlingame, has been appointed the Military Training Camps Association representative for San Mateo County. He will be in charge of association activities in enrolling suitable young men for the 1937 Citizens Military Training Camps.

"Citizens Military Training Camps are doing exceedingly valuable work developing the young manhood of the nation, and in building and strengthening the character of our citizenship," according to Mr. Bloom in commenting on his appointment. "I am happy to be chosen to offer this opportunity to the young men of my county. The training teaches teamwork and consideration for others and the outdoor sports and regular living is beneficial to the young men."

Citizens Military Training Camps are held annually at the Presidio of Monterey, Fort Winfield Scott and Fort MacArthur, Calif. This year they will be held from July 1 to 30. For information concerning the Citizens Military Training Camps, write to the C. M. T. C. enrollment officer at either of the above army stations, or to the county representative.

HISTORIC NAME

The Golden Gate received its name from Colonel John C. Fremont, the pathfinder, in 1848. Pageantry dealing with this phase of California history has an interesting place in the fiesta, May 27 to June 2, at San Francisco, celebrating the completion of the bridge.

P. T. A. Will Hold Fathers Evening

A program of special interest to fathers will be presented at the March meeting of Seventeenth District, California Congress of Parents and Teachers, at 8 p. m. this evening, in Burlingame High School auditorium.

Mrs. R. L. Holder, Burlingame, director of the district department of home service, has invited Claude A. Shull to speak on "What a Boy Has a Right To Expect From His Dad." Shull has an enviable reputation as a speaker and as an authority on child psychology, particularly boy psychology.

FASHION SHOW

So that fathers of daughters may not be overlooked, a fashion show will be given by county high school girls who will model wearing apparel, self made and in some instances self designed. Such a showing is always a revelation to parents unfamiliar with this branch of instruction.

W. T. VanVorss, principal of Burlingame High School and P. T. A. state chairman of Fathers Forums, will speak briefly. The District Choral, consisting of mothers trained by Mrs. Frederick C. Lee, will be heard in several numbers.

This is the only night district meeting planned for the current term. Interested mothers and fathers are invited to attend. P. T. A. membership is not necessary, all district meetings are open to the public.

New Federal Show Is On Way Here

"A Touch of Brimstone," closing tomorrow evening at the Federal Theater, has scored a distinct success for the cast. It has met with the approval of every drama critic in town and has had the warm support of local theater goers.

"Help Yourself," which will be staged here Monday evening of next week, is now on the road heading northward toward San Francisco along the route over which subsequent Federal Theater attractions will be toured. It is planned to send out productions at the rate of one a month. The advance demand for tickets to "Help Yourself" may result in holding it for a third week, though it is booked for two only at this time.

"Help Yourself" is a farce comedy concerning a promotional genius who, finding himself on the rocks financially, "helps himself" to a job with the biggest bank in town. His type is not unknown, being one of those brassy individuals known to every business man in all walks of life. The play is packed with humorous situations. It was a huge success in New York, where it was first played, and has left a wake of guffaws and broad grins wherever it has shown.

Bills Are Proposed For School Buses

The school bus, that relatively addition to modern school equipment, comes in for considerable legislative attention at this session of the California lawmakers.

A guard rail equipment on all buses would be required under a bill recently introduced. Purpose of the rail would be to prevent heads, arms or legs of pupils from protruding from the vehicle.

Another law proposal would require all school buses to be painted red, white and blue. Specifications for construction of the equipment, its purchase and manner in which it is operated may also be dealt with by legislators.

STAR STRANDED HIGH IN SKY

Marooned high in a Detroit hotel because of a sit-down strike of elevator operators and other employees, Lily Pons, opera star, recently threatened to go on her own sit-down strike. Lily, well known to West Coast fans, complained: "If I don't eat soon, I get too thin. If I walk up and down twelve floors I get too thin. Maybe I should be up to date and go on sit-down strike, too."

NOTES ON OUR ELEMENTARY SCHOOLS

Jefferson School District follows in line with modern educational trends by offering the seventh and eighth grade pupils a course in arts and crafts. Situated in the new Administrative Building, the craft shop is equipped with the best tools and materials.

School officials, having found a very capable teacher in the person of Mrs. R. Corral, art supervisor, introduced the course of arts and crafts during the fall semester. Throughout this first semester the course was only opened to boys. Such enthusiasm and interest was aroused that now a few girls have been given the privilege of entering the classes.

The course of study offered in arts and crafts in order of sequence is: Lower Seventh: Mechanical drawing which enables the student to do simple lettering, draw simple plans to scale, read and make blue prints.

High Seventh: Basketry—the making of all types of baskets, trays and reed articles.

Low Eighth: Leathercraft—designs for leatherwork, tooling and assembling such articles as coin purses, key cases, wallets, belts, moccasins, bookmarks, zipper binders.

High Eighth: Choice of woodwork, linoleum block printing, wood carving and advanced leathercraft.

This varied, well planned program offers training in crafts which will later become hobbies, leisure time activities or a foundation for vocations.

Thursday afternoon of last week Mrs. Crane, president of Daly City Unit, American Legion Auxiliary, and Mrs. Hill presented prizes to the students of the Crocker and Woodrow Wilson Schools who were winners in the American Legion essay contest.

The following winners received a

pen and pencil set: Bruce Davis, Donald Burke, Conchita Morales and Joyce Yates of the Crocker School. In the Woodrow Wilson School: Donald Laston and Jean Durkee.

A "Conservation Day" ceremony was presented to pupils of the Woodrow Wilson Elementary School, Friday of last week. Miss Vireno, social science and nature study teacher, was in charge of the program. Harry Clarke of the low eighth grade gave a brief talk on Conservation Day and introduced the other speakers, Donald Laston and Dean Nelson, both of the high seventh grade. Due to the rain the program, planned for outdoor presentation, was given inside the school.

the county this year which have been aided by department funds and urged each unit to plan some activity for April for child welfare funds. The next district meeting, April 12, in San Mateo, will be devoted to child welfare. Interesting speakers on this subject will be present.

Mrs. Mary Hayes, poppy chairman, announced all units were conducting the poppy poster contest in their local schools. She stated District 26 has been given a quota of over 8000 poppies to be sold in the county this year and reminded members that poppy making has provided employment for veterans through the winter and spring months, and to many it is the only means they have of making money to help support themselves and their families. The poppies will be sold by volunteer workers of the American Legion Auxiliary, the week end before Memorial Day.

PARLEY LUNCHEON

The Past Presidents Parley, an organization of unit past presidents in the district, will hold a luncheon, April 14, at the home of Mrs. Leon French, 458 Turner Terrace, San Mateo, at 1 p. m. The proceeds of this luncheon will be used in the work with the women patients at the Veterans Hospital at Palo Alto. Mrs. Dora Devol is chairman.

Mrs. Catherine Foreman, business manager of the San Mateo County Drill Team, announced the team will sponsor a dance, March 31, at the Veterans Hospital and asked for the support of all auxiliary members. The drill team is also planning a dinner in the near future for their uniform fund.

CURRAN STAGES GREAT PLAY OF TWO CONTINENTS

"Tovarich" Appointed By Theatergoers Of Large Cities In Europe And America

"Tovarich," the hit of two continents, which Gilbert Miller has brought to American shores, was adapted from the French of Jacques Deval by Robert E. Sherwood, author of such recent Broadway successes as "Reunion in Vienna," "The Petrified Forest" and "Idiot's Delight." This represents a radical departure from Mr. Sherwood's usual custom; it is his first adaptation. Always up to this time he was content to write original works, but Deval's play so captivated him that he was compelled to fashion an English translation of it.

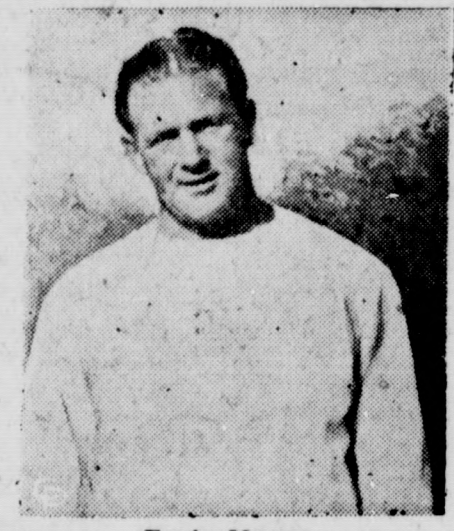

The play comes to the Curran Theater for a limited engagement starting Monday night, March 22, with a sparkling trail of European triumphs behind it. It has played in 24 cities in Europe, each time with record breaking success. Paris saw its initial performance two seasons ago, and Parisian theatergoers packed the house for 800 subsequent evenings. With infectious rapidity it spread to Vienna, where it played 250 times, an unusual record for a town which generally tires of a play in four or six weeks. Stockholm took it to its heart, then Prague, Berlin, Budapest, Marseilles, Hamburg, and unnumberable other European cities.

Well aware of the subtle difference between London and Pacific Coast audiences, Homer Curran has gathered together a distinguished cast to perform "Tovarich" in San Francisco. Eugenie Leontovich, the original star of the European engagements, will share honors with Osmond Perkins of the New York Theater Guild and Bela Lugosi, distinguished Hungarian actor. Others in the company will include Melville Cooper, Mary Forbes, Bruce Campbell, Hans Herbert, Frances Reid, Marion Ballou, Fay Helm, Wedgewood Nowell, Robert Long, and Betty Hardy.

Peter Mather, who was with Gilbert Miller in the original London and European engagements and for the past season has been associated with the New York production at the Plymouth Theater, staged "Tovarich" on the Pacific Coast for Homer Curran.

Cabins are provided in the wings of a newly designed 150-passenger plane which engineers claim will be capable of flying from New York to London in a day.

MILERS TO COMPETE AT SAN BRUNO TRACK

By J. W. MARCHBANK

With the running of the Kings Mountain Handicap tomorrow at Tanforan the horses that like to go one mile or more will have their innings. Last Saturday in the sloppy going it was the performers that prefer six furlongs that the fans acclaimed. The two groups coalesce more or less, however. For example, the aptly named double Derby winner, Rushaway, unsexed son of Haste and Roseway, is a clever one at any distance.

On the Saturday following the running of the Kings Mountain the feature will be the Woodside Handicap. As was the Inaugural, won by the superlative soft track galloper, Manners Man, the Woodside will be at three quarters of a mile. The two stakes are of peculiar interest to residents of San Mateo County, as they are named for its most beautiful section.

One of the highlights of the opening day of sport was the convincing victory of the baby filly Kumreigh in the event called the Silk Tassel. The sprightly daughter of the noted American-English stakes winner, Reigh Count, put up a performance that will live long in the memories of the people lucky enough to see it.

Allen Gray, a master reinsman, piloted Kumreigh and was given much applause by the enthusiastic throng for his faultless effort. The chestnut miss was on the rail in the four furlong event, a difficult position for starting, as it is near a turn. The only reason for a few races at the four furlong distance is the immaturity of the contestants. In a few days the two year olds will be going four and one half furlongs, a distance that will give the riders more opportunity to straighten their mounts out before coming to a turn.

The Kumreigh victory was extremely popular, as was the winning of the "place" by the Pasadena Stable's Rothbury, an entire colt by the well remembered Fair Ball. The sire of the colt formerly stood in this county, but moved some time ago to the haras near the Mexican border. Fair Ball was a very fast horse, and, as will be recalled, is a full brother to the old Tanforan favorite, Catterton. Both stallions were bred on the same plan of mating as Man o'War—by Fair Play from a daughter of the Triple Crown winner Rock Sand.

Summons

No. 26609—Dept. No. 1

In the Superior Court of the State of California, in and for the County of San Mateo.

REGINA NANTZER, Plaintiff, vs. All persons claiming any interest in, or lien upon, the real property herein described, or any part thereof, Defendants.—Summons.

The people of the State of California:

To all persons claiming an interest in, or lien upon the real property herein described, or any part thereof, Defendants; Greetings:

You are hereby required to appear and answer the complaint of Regina Nantzer, plaintiff, filed with the Clerk of the above-entitled Court and County, within three (3) months after the first publication of this Summons, and to set forth what interest or lien, if any, you have in or upon that certain real property, or any part thereof, situated in the County of San Mateo, State of California, and more particularly described as follows, to-wit:

Lot numbered thirteen (13) in block numbered eight (8) as shown on that certain map entitled "New High School Acres, Redwood City, California," filed in the office of the County Recorder of San Mateo County June 25, 1923, in Book 11 of Maps at Pages 36, 37 and 38.

And you are hereby notified that unless you so appear and answer the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit:

That it be adjudged that plaintiff is the owner of said property in fee simple absolute; that plaintiff's title to said property be established and quieted; and that the Court ascertain and determine all estates, rights, titles, interests and claims in and to the said real property and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, or whether the same consist of mortgages or liens of any description; and that plaintiff recovers her costs herein; and for such other and further relief as may be proper in the premises.

Witness my hand and the seal of this Court this 26th day of January, 1937.

(Seal) E. B. HINMAN, Clerk, By CLAIRE ROBERTS, Deputy Clerk.

MEMORANDUM

The first publication of this summons was made in the Daly City Record newspaper on the 29th day of January, A. D. 1937.

MEMORANDUM

The following person is said to claim an interest in or lien upon said property adverse to the plaintiff above named, to-wit, Charles Meyer, also known as Charles A. Meyers. That the address of said Charles Meyer, alias, is unknown. J. THADDEUS CLINE, Attorney for Plaintiff.

A son was born to Mrs. George Dennis Monday of this week at the University of California Hospital in San Francisco. Both mother and son are reported doing nicely.

First prize winner at the C. V. F. D. whist party held Friday evening of last week was Mrs. Elsie Fuchs of Station avenue.

Cypress Circle No. 14, U. A. O. D., will hold a whist party Wednesday evening of next week following the regular meeting. The public is cordially invited to attend.

Both the Colma V. F. D. and Daly City Company No. 6 trucks responded to an alarm at the Simonetti residence on Price street Wednesday morning of this week to extinguish a fire which had started from a defective flue. No appreciable damage was done.

Frank Perada is back to work this week at Witt's Dairy following an enforced rest due to a hand infection. He received treatment at the Junipero Serra Hospital.

Mrs. John Hanlon and her infant daughter returned to their home in South San Francisco Wednesday of this week from Junipero Serra Hospital.

Mrs. Ethel Schomer and Mrs. A. Brasfield were guests Tuesday evening of this week at the home of Mrs. W. Ricconi on San Pedro road.

Pete Mazzanti of Grand avenue, South San Francisco, was treated at the Junipero Serra Hospital Tuesday of this week for a fractured knee cap received when he slipped on a wet sidewalk.

Dino Toccari, employed at the American Box Company, returned to work Wednesday of this week following a four day illness. While at work Saturday of last week he suffered a sprained back, which was treated at the Junipero Serra Hospital.

Mrs. Verna Remmer was hostess to members of the Sewing Circle, Wednesday afternoon of this week, at her home on Werner avenue. Those present were Mesdames Louise Zanetti, Irene Bortis, Evelyn Merlo, and Verna Remmer.

William Crombie of Ellington street, San Francisco, was seriously injured when struck by an automobile at Yale and Mission streets, Saturday night of last week, while he was attempting to board a street car. Taken to the Villa Sanitarium, the injured man did not regain consciousness for two hours due to a fractured skull. He was removed to his home, Wednesday of this week.

Was Guest Of Honor At S. F. Shower

Miss Betty Cooper was guest of honor at a shower given Saturday evening of last week at the home of Miss Dora White, Twenty-sixth street, San Francisco.

Those who attended from Daly City were Mrs. H. Baumeister and daughters, Edith Pellacani and Miss Alma Baumeister, and Miss Rose White.

A Timely Tip

Joseph Sarto of the Villa Sanitarium pointed out this week the lack of care most people use when turning on a porcelain water faucet. Records there disclosed ten or more cases in the past year of serious hand injuries resulting from breaking porcelain.

The wound thus caused is of a particularly dangerous nature, owing to the fact that once a tendon in the palm of the hand is severed the fingers are permanently crippled.

It would be well worth while to replace handles which have become cracked or show signs of wear.

RETURN FROM WEDDING TRIP

Mr. and Mrs. John De Perrio returned, Saturday evening of last week, from a honeymoon trip which included Sacramento, Jackson, and Pinegrove.

The couple were married, Wednesday evening of last week, at St. John's Church in San Francisco. Father Hunt conducted the ceremony. The bride, the former Mrs. Josephine Greene of San Pedro road, was attired in an attractive street dress of green and brown and wore a corsage of lilies of the valley. She was attended by Miss Helen Berardy who wore an attractive gown of black and white with a pink corsage. The groom was attended by his cousin Ted Berardy.

Following the ceremony, a wedding supper was given by Mrs. Marguerite Berardy at her home on School street. A large wedding cake was presented by Mr. and Mrs. John Biller of Scott street, San Francisco.

Employees joined in an informal celebration, Wednesday of this week, of the first anniversary of the Junipero Serra Hospital on Briggs street. Dr. L. A. Drees, owner and manager, expressed his appreciation of the co-operation given him by the townspeople of Daly City and Colma during the past year and added that even more facilities would be added during the coming year for the convenience of patients.

Mr. and Mrs. John Weimert and daughter of San Francisco, accompanied by Miss Alvina and Bill Jost of Ninety-second avenue, motored to Menlo Park, Sunday of this week, where they spent the day as guests of Mr. and Mrs. P. Lauthbury.

The Colma Parent Teachers Association held a hot dog sale, Tuesday of this week, at both the Jefferson and Thornton grammar schools. Mrs. H. L. Remington and Mrs. J. J. Grondona, who headed the committee, pronounced the affair a great success.

Mrs. A. Stapanoni of San Pedro road had as guests over the week end Mr. and Mrs. Minaldi of Santa Cruz.

Girl Scout Program Given For P. T. A.

Girl Scouts and the silver anniversary of that organization were honored by the Parent-Teachers Association of Jefferson Union High School at the regular monthly meeting held in the little theater Wednesday afternoon of this week.

Miss Juanita Young, girls physical education instructor, was in charge of the afternoon program. She presented Mrs. R. W. Moody, secretary of the regional committee and Mrs. W. C. Cusick, both of Berkeley.

Mrs. Moody traced growth of the Girl Scout organization and described vividly the aims and purposes of the movement.

Following the address, Troop 1, of the high school, presented a tableau depicting the work of a troop. Angelini Gigli acted as the narrator.

Preceding the program a brief P. T. A. business meeting was held. The present group of officers were re-elected for the ensuing year.

Delegates were elected to the Seventeenth District convention which will be held next month. They include Mesdames Barker, Bentley, Crane, R. Smith, and G. Woodside. The unit presented James Ferguson, principal, with an emblem of the P. T. A. association to symbolize the life membership recently conferred on him. In accepting the pin he paid a glowing tribute to the Congress of Parents and Teachers.

Membership in the high school unit has reached 120 according to Mrs. George Woodside, who is membership chairman. This is the largest number that has ever belonged to the unit.

A social hour with refreshment concluded the afternoon. Mrs. Remi Sanders being in charge of this feature.

SPEEDY GROWTH FOR AREA SEEN BY COMMISSIONERS

City And County Planners Discuss Developments At Dinner Meeting

three hour session attended by approximately 40 San Mateo County civic leaders.

BUCK PRESIDES

The highly successful meeting was presided over by Mayor C. A. Buck of Burlingame, chairman of the county planning commission. Upon recommendation, a resolution was passed favoring further meetings of both county and city planners in the interest of proper planning for fast growing San Mateo County.

County Engineer Urban S. Marshall received encouragement on his proposal of planting flowering trees along the soon to be widened portion of El Camino Real between Beresford and Redwood City. Magnolia trees were recommended. Marshall said the trees would bloom several months of the year, and eliminate the unsightliness certain to be caused by billboards, gas stations, car wrecking houses and hot dog stands along the highway.

MASTER ZONING

The county planning adviser pointed out the fine work performed since the formation of the county planning body, explaining that the master zoning plan has won nationwide recognition, and the beach acquisition program was recently lauded at a state gathering of planners.

The construction of a competitive belt railroad line between South San Francisco and Redwood City was urged. The line is needed before there can be any large industrial development. Speedy completion of the San Joaquin-to-the-Sea highway was advocated.

Chico Plans Gold Display In Fiesta

Gold mining resources of California will be vividly illustrated by Butte County participation in the Golden Gate Bridge Fiesta, May 27 to June 2, celebrating the opening of the longest single span in the world.

The Chico Chamber of Commerce has proposed that a replica of the famous Willard nugget found in Magalia, California, in 1854, the largest placer nugget ever found in the United States, be carried by two miners during the Fiesta parades.

The nugget will be suspended on a pole carried across the shoulders of the miners. The miners will distribute small "nuggets" along the line of march of the parades.

San Mateo Jaycee Has Many Old Books

Among aged books considered quite unusual at San Mateo Junior College library are "A History of the Huguenots," dating back to 1845; "The Impending Crisis of the South," printed in 1857 and dealing with the pre Civil War conditions, and "Archaeological Writings of the Sanhedrin and Talmuds of the Jews," printed in 1857 also.

The college also has "The Illustrated London News," which pictures historical events between the dates of 1843 and 1895.

San Mateo Coeds To Hold Convention

San Mateo Junior College coeds have invited 22 junior college and state college women associations to attend the April 16-17 convention at San Mateo.

The invited colleges are expected to send a total of 132 delegates to the annual conference. San Mateo is arranging a broad program for the two day event.

A motorless ammonia refrigerator now cools freight car interiors.

FUND SHORTAGE MAY DELAY NEW BUILDING PLAN

Construction Cost Of First Jaycee Unit Exceeds Cash On Hand By \$70,000

(Continued from page 1)

Class "C" buildings, although all were recently earthquake proofed.

The architect listed the following prices:

1. Frame building, (Class D), costing \$4.75 per square foot to construct.
2. Steel unit with wood floors, \$5.10 per square foot.
3. Concrete walls, wood floors and interior walls (Class C), \$5.25 per square foot.
4. Steel frame and steel floor (new patent process), \$5.75 per square foot.
5. Concrete walls, concrete floors and patented steel studded partitions, (Class B), 6.00 per square foot.
6. Concrete walls and floor with

wood partitions, (Class B), \$5.75 per square foot.

7. Steel frame building imbedded in concrete, (Class A), \$6.75 per square foot.

DECISION APRIL 8

Estimates have set the size of the science building at 20,000 square feet. Constructed to meet Class B requirements, the building probably would cost approximately \$120,000; but furnishings, insurance, architect fees and other expenses are expected to bring the figure close to \$160,000.

The prices were taken under advisement by the board, who will probably make their decision at the April 8 meeting.

NEVERS TO IOWA

It was recently announced that Ernie Nevers, former all American at Stanford and present Lafayette coach, will become assistant coach to Irl Tubbs at University of Iowa.

Planes to carry 40 passengers and crews of four are being built for London-Paris service.

NEWS NOTES OF PERSONAL INTEREST

Mr. and Mrs. A. J. Green, San Diego avenue, entertained at dinner, Thursday evening of last week, honoring Rolf Gerard, lyric tenor of the San Carlos Opera Company. The opera company finished its current season, Sunday evening, at the Memorial Opera House in San Francisco. The dinner guests were Mr. and Mrs. Rolf Gerard, Mr. and Mrs. F. Schleff and daughter, Jean, Mrs. Anna Gerard and Janette and James Gerard Jr.

Mrs. C. Scott, Parkview avenue, attended a birthday party given, Wednesday evening of this week, at the Veterans Memorial Hall in San Francisco in honor of Mrs. M. Henning, president of the Daughters of Union Veterans of the Civil War.

Examinations were held, Wednesday evening of this week, at Company No. 1 fire house, Santa Barbara avenue, for the first aid class. The class of about sixteen members has just finished a ten week standard course.

A luncheon was given, Wednesday of last week, at a popular San Francisco cafe for the ladies who had worked steady for the past four months at the General Pershing Cafeteria. The Cafeteria closed last week and will not open again till next fall. After luncheon the ladies made a tour of Chinatown. Those present were Mesdames S. Welsh, M. Woodside, A. Eason, R. Watson, R. Gardella, H. McDonough, M. Gregor, S. Nordgren, F. Thorsen, Marquest and Wittoff.

Hillcrest Circle 143, Ancient Order of Druids, will hold their monthly whist party, Monday evening of next week in Masonic Hall. Mrs. Madeleine Fellows and Mrs. Agnes Prescott, who are in charge of this affair, assured all attending a very pleasant evening.

A luncheon, bridge and whist party was enjoyed at the home of Mrs. A. Ledterman, San Diego avenue, Wednesday afternoon of last week. The affair netted a substantial sum for the members of Boy Scout Troop 149. A series of these parties is being given.

A marriage license was issued in San Mateo County, this week, to John Miller, 34, and Ruth Nichols, 24, both of Daly City.

Mrs. R. Brauns, Mission street, entertained a group of ladies at luncheon, Wednesday of last week. Guests were Mesdames J. Turner, W. Jacques, Yates, J. Alward, White, M. Wegner, Graig and Archer.

Funeral services were conducted in Berkeley, Tuesday of last week, for James Procter, son of Mr. and Mrs. Harry Procter, who formerly resided on Wellington avenue. Many Daly City friends and neighbors extended their sympathy to the bereaved relatives.

Mr. and Mrs. Clarence Page, San Diego avenue, and Mr. and Mrs. Clarence Davis, San Francisco, motored to Palo Alto, Sunday of this week, where they visited the latter's new home purchased recently. In the evening, the Pages were dinner guests at the Davis home in San Francisco.

The hand embroidered pillow slips, raffled Wednesday morning of this week by the ladies of the Daly City Well Baby Clinic, were won by William Bryant, San Diego avenue, and Mrs. L. Hinterman, Vendome avenue.

Mr. and Mrs. R. Welsh and sons, Hanover street, joined with other members of the Patrick Walsh family, Monday of this week, in a family reunion dinner. The dinner was given to honor Mr. Walsh on his seventy-seventh birthday.

Mrs. G. Walker, Templeton avenue, past president of Crocker P. T. A., and Mrs. M. Woodside, Bruno avenue, junior past president of General Pershing P. T. A., represented the north end of San Mateo County and attended the Seventeenth District nominating committee meeting at the home of Mrs. R. P. Richardson, Burlingame, Tuesday afternoon of this week.

Marlene Gargiulo, one year old daughter of Mr. and Mrs. Tony Gargiulo, and grand daughter of Mr. and Mrs. Frank Continolo, Evergreen avenue, who is a patient at a San Francisco Hospital where she underwent an operation two weeks ago for a double mastoid, is progressing nicely but is not expected home for about two weeks.

Mrs. M. Wegner, Crocker avenue, was among the guests at a birthday party given, Monday afternoon of this week, at the home of Mrs. E. Mohr, Seventh avenue, San Francisco.

A group of friends motored in town, Tuesday evening of this week, and enjoyed dinner at a popular San Francisco cafe. The group consisted of Mesdames Laura Pescaro, Martha Wegner, Madeleine Fellows, Victorine Lombard, Grace Hill, Marcie Trier, Katherine Foreman, Margaret Rieley, Misses Edna and Ida May Lasswell.

Mr. and Mrs. Charles Ireton, Winchester street, accompanied by Mr. and Mrs. Dave Refatti, San Francisco, motored to Delhi, Saturday of last week, to spend the week end with Mr. and Mrs. A. Refatti.

Miss Azalia Meeth, Westlake avenue, motored with a group of friends, Sunday of this week, to Fort Ross and spent a pleasant day.

Daly City Band In Reorganization

Progressing rapidly, the Daly City Band is now taking final steps in a reorganization and enlargement move. George E. Brenner, former bandmaster, has again resumed leadership. T. Stevens gave up his mastership of the city band to devote his full time to musical activities at Jefferson Union High School.

Rehearsals of the organization are held each Tuesday evening at the city hall. Several new numbers have been added to the musical library and in the near future the band will be prepared to render a creditable concert of classical and popular music. Brenner announces that there is still room for a few more good musicians. New members will be welcomed to the organization.

During the past two years, Brenner has composed several marches. Three of them were sold and used in the Tom Mix and Cole Bros. circuses.

Jeff Hi Tracksters To King City Meet

Sponsored by the Associated Students of King City Union High School, their eleventh invitational track and field meet will be held Saturday, April 3, in King City with trials set for 11 a. m. and finals at 1 p. m.

Jefferson Union High School will send a squad of men to participate in the event.

Promising to be the largest meet ever held in King City, approximately 500 tracksters from 28 schools are expected to take part.

Among schools already having sent their acceptances are Jefferson in Daly City, Arroyo Grande, Shandon, San Luis Obispo, Atascadero, Paso Robles, Pacific Grove, Watsonville, Monterey, King City, Salinas, Santa Cruz, Gonzales, Coalinga and Tracy.
